Diamond Minecart VIP package

A Diamond Minecart ticket holder will get:

A guaranteed meet and greet with Dan.

A photo of your meet and greet taken by a professional photographer that you can download after your meet and greet.

Tour merchandise bundle worth \$50!

You will meet Dan on the following dates:

PERTH: 9am - 11am on Saturday 23 September

MELBOURNE: 11 – 1pm on Monday 25 September

BRISBANE: 11am - 1pm on Thursday 28 September

ADELAIDE – 3pm - 5pm on Saturday 30 September

SYDNEY - 11am - 1pm on Monday 2 & Tuesday 3 October

Please note that for reasons of timing, the individual photograph will be taken for the ticket holder by an official event photographer. It will **not** be possible to take multiple selfies or have Dan sign multiple autographs. He may have time for one autograph, so please bring an item separate to the merch bundle you as you may receive your merch bundle after your meet and greet with Dan.

Please also note that the exclusive Diamond Minecart t-shirts will be pre-ordered so we will not be able to offer multiple sizes on the day. You must give the correct t-shirt size when booking. The Producers and the DanTDM On Tour team require the email addresses of all of those who have bought Diamond Minecart tickets in order to let Diamond Minecart ticket holders know where they should be at what time on the day.

All children must be accompanied by an adult to participate in the Diamond Minecart sessions. Any accompanying adult must also hold a valid ticket to the show, although the accompanying adult does not need to purchase their own Diamond Minecart VIP ticket (although if they haven't purchased the Diamond Minecart VIP ticket, they won't get any of the other benefits, obviously).

Very Important – any children in a group who do not have a Diamond Minecart VIP ticket, will **not** be able to attend the Diamond Minecart session.

Space will be limited so only one accompanying adult will be able to attend.

Purchase of the Diamond Minecart VIP package is only available at the time of show ticket purchase; it cannot be purchased later.

Precise details of the meet and greet session, including timings and where to meet, will be emailed to purchasers closer to the date of their performance, around one to two weeks before the performance date.

As the Diamond Minecart VIP experience is tightly scheduled, Diamond Minecart VIP ticket holders and their plus one adult (if ticket holder is a child) will need to allow extra time to reach the venue as it will not be possible to re-schedule to a later time or date if you are late.
